FOCUS

Day 1, Dec. 11, 2026:

- Medical Polymers & Composites
- Emerging processing technologies
- Quality Requirements & Testing
- Standards and Regulations
- Entrepreneurship & Start-up Opportunities
- Recycling & Sustainability

Day 2, Dec. 12, 2026: (Optional)

- Visit to Medical Device Companies, for delegates
- Tour of the world class AMTZ Medical technology park
- Participation in World Health Innovation Forum
- Visit to Global Health Expo Exhibition
- Workshop on Pharma and Medical Device Quality Testing

Medical Devices, Diagnostics And Pharma Industry

INTRODUCTION:

The global MedTech industry is among the top sectors in R&D spending, with polymeric materials at the centre of device innovation. The Indian MedTech industry is also expanding rapidly with a CAGR of more than 15% annually. The purpose of this seminar is to explore how **innovations in medical polymers and composites are transforming medical technology**, bridging material science with clinical applications. Discussions on **emerging materials, advanced processing technologies, regulatory pathways, and sustainability imperatives** will inspire strategies that drive innovation, accelerate commercialization, and strengthen India's position in the global MedTech ecosystem.

OBJECTIVES:

- Present the current status of medical polymers and composites in the global MedTech industry
- Discuss breakthroughs in biocompatible, biodegradable, and high performance polymers
- Demonstrate how polymeric materials are transforming patient care, safety, and accessibility
- Review emerging processing technologies — precision moulding, automation, and sustainable alternatives
- Discuss compliance with ISO standards and global regulatory pathways.
- Identify opportunities for start-ups, investment, R&D and market expansion
- **Tour of the world class AMTZ Medical technology park, for delegates**

SPEAKERS

- Industry Leaders & Experts from Medical Polymers, Medical Devices, Medical Packaging Frontline Companies.
- Policy Makers From Government and Public Sector Executives, Experts from Research and Academic Institutions.
- Technology, Services, Materials & Manufacturing Professionals, Consultants

EXPERT PRESENTATIONS / PANEL DISCUSSIONS

Keynote presentations, case studies and panel discussions by industry leaders with extensive knowledge of their respective industries and specialties.

WHO SHOULD PARTICIPATE?

All the people directly or indirectly associated with Plastics & Medical Devices Companies, Start-ups, Entrepreneurs interested in diversification & Industry Professionals.

5th National Two-Day Event On Advances in Medical Polymers & Composites: Shaping the Future of MedTech

Day 1, Dec. 11, 2026 : Seminar; Day 2, Dec. 12, 2026 (Optional) Industry Visits
Venue : Infinity Hall, AMTZ, Visakhapatnam

ORGANIZERS

MEDICAL PLASTICS DIVISION
Society Of Plastics Engineers (SPE) INDIA Medical Plastics Division

SPE, founded in 1942, with 60,000 stakeholders from 84 countries unites plastics professionals worldwide - helping them succeed and strengthening their skills through networking, events, training and knowledge sharing. SPE INDIA Medical Plastics Division encourages the interchange of technical and regulatory information on polymer materials / components used in Medical Devices among scientists and engineers who are working in Medical Devices and related industries.

INDIAN PLASTICS INSTITUTE - Medical Plastics Division

IPI is a strong Professional Body of Industrialists, Plastic Technologists, Academicians, Economists and Students, spread over 14 Chapters across India and 2 Overseas Association partnerships with Sri Lanka & Nepal. It is engaged in Education, Training, Manpower Development, and Dissemination of Knowledge on the latest technological developments in the worldwide Plastics Industry. IPI has set up a medical plastics vertical to support medical device industry in strengthening India's position in the global MedTech ecosystem

Event Partner

Andhra Medical Technology Zone (AMTZ)

Andhra Pradesh Medical Technology Zone is one of world's largest medical technology manufacturing cluster with over 100 companies working on research, development and production of life saving medical devices.

AMTZ includes Common Manufacturing Facilities & Common Scientific Facilities that with specialized laboratories, warehousing, and testing centers such as the Center for Electromagnetic Compatibility and Safety Testing, Center for Biomaterial Testing, Center for 3-D Printing, Centers for Lasers, MRI Super Conducting Magnets, Gamma Irradiation Centre, Mold & Machining Centre, and many other industrial service centers.

Concurrent Events

World Health Innovation Forum

World Health Innovation Forum - Event Presentation & Global MedTech Expo

The World Health Innovation Forum provides an unparalleled opportunity for companies to connect with a global community of health innovators, leaders, and policymakers. It includes:

GLOBAL MEDTECH EXPO

- Networking with Global Leaders: Engage with top leaders in medical and manufacturing sectors. round tables, and open forums. student paper competition. public-private collaborations.
- Scientific Sessions and Round Tables: Participate in in-depth scientific discussions
- Paper Presentation: Encourage young & ignited minds talent through a dedicated Public-Private Partnership Policies: Gain insights into policies shaping
- Engagement with Policymakers: Connect with policymakers and health innovation agencies to influence the future of health.
- Expo Area: Discover new technologies and innovative solutions in the expo area

CONTACTS

SPE INDIA - D L Pandya, Vice President, SPE India Medical Plastics Division, E-Mail : dlpandya@gmail.com, admin@speindia.org / medicalplastics@gmail.com, M : 9825457563 / 9825457518

Rajiv Sanghavi, SPE India International Councilor, rsanghavi@speindia.org, M : 9619140918 / 9820088050

5th National Two-Day Event On Advances in Medical Polymers & Composites: Shaping the Future of MedTech

Day 1, Dec. 11, 2026 : Seminar; Day 2, Dec. 12, 2026 (Optional) Industry Visits • Venue : Infinity Hall, AMTZ, Visakhapatnam

REGISTRATION FORM

Day 1, Dec. 11, 2026. Venue : Infinity Hall, AMTZ, Visakhapatnam			
Seminar	Fees	GST-18%	Total
IPI & SPE Members and Members of Supporting Association	Rs.2,000/-	Rs.360/-	Rs.2,360/-
Non - Members	Rs.2,500/-	Rs.450/-	Rs.2,950/-
Academicians, Students & Research Scholars	Rs.1,000/-	Rs.180/-	Rs.1,180/-
Day 2, Dec. 12, 2026. (Optional)			
• Visit to Medical Device Companies, for delegates • Tour of the world class AMTZ Medical Technology Park & Facilities. • Participation in World Health Innovation Forum • Visit to Global Health EXPO Exhibition • Workshop on Pharma and Medical Device Quality Testing	Rs.500/-	Rs.90/-	Rs.590/-

Registration Details :

- Registration will be on 'first come first served' basis.
- Fee includes Conference Material & Proceedings, Tea/Coffee & Lunch
- Substitution may be made anytime subject to handling over of an authorization letter signed by the Registered Delegate to the organizers.
- Organizers reserve the right to change venue, time and Schedule of the Conference & Speakers.
